

Feline Surrender Request Form

Please take time to complete this form thoroughly and accurately. As a no-kill shelter, our intake space is limited and HSSC is not able to accommodate all requests. If your pet is accepted into our adoption program, the surrender fee is \$30 per spayed/neutered pet, \$55 per intact pet, and \$80 per litter. Out-of-county surrenders are \$80 per pet and \$130 per litter. The Humane Society of Sarasota County (HSSC) is dedicated to the health and welfare of each animal in our care. We will contact you within one week of receipt of Surrender Request Form. Please return your completed form to Geoffrey Webber at gwebber@hssc.org or by faxing to 941.955.3715.

The Humane Society of Sarasota County (HSSC) is dedicated to the health and welfare of each animal in our care. Our mission is to save as many animals as possible by securing them loving homes. We are the area's largest "no-kill for space" animal shelter, which means that no adoptable animal is euthanized to make room for another.

Every attempt is made to keep pets with their owners via our successful Feline and K-9 programs that provide behavior counseling and training. If surrender remains the only option, our medical and behavioral teams evaluate every pet taken into the care of HSSC. The shelter accepts all pets deemed adoptable within the capacity constraints of our shelter.

Please contact us at least 24 hours prior to your scheduled appointment should you need to reschedule or cancel. If no notification is received and you do not show for your appointment, you will be removed from our waiting list.

If we can accommodate your surrender request, we will contact you within one week and place your pet on a waiting list. **An appointment does not guarantee acceptance into our adoption program.** If your pet is not a candidate for our adoption program and we cannot accommodate your surrender request, you will be notified within one week of receipt of your request.
